

AMENDMENTS TO THE CLAIMS:

Please replace the claims with the claims provided in the listing below wherein status, amendments, additions and cancellations are indicated.

Listing of Claims

1. (Cancelled)

2. (Cancelled)

3. (Currently Amended) Metal and/or partial metal dentures adapted to be inserted into a human mouth and provide an appearance of teeth, the dentures comprising:

an at least partially metal substrate providing the form of the teeth and having at least one polished, amorphous surface obtained by application of pulsed electron beam irradiation,

said substrate being made of an Ag-Pd-Au alloy.

4-6. (Canceled)

7. (Previously Presented) The dentures of claim 3, wherein said at least one polished, amorphous surface is a metallic glittering surface.

8. (Canceled).

9. (Canceled)

10. (Previously Presented) The dentures of claim 3, wherein said at least one polished, amorphous surface exhibits corrosion resistance.

11. (Previously Presented) The dentures of claim 3, wherein said substrate is entirely metal.

12. (Previously Presented) The dentures of claim 3, wherein said substrate is only partially metal.
